### ADDITIONAL NOTES:

\* Neutral Sweet base may be substituted in place of Vanilla base in any recipe.

\*\* Fruit Freezer Sorbet base will work great with any fruit flavor: 1 bag Sorbet base + 8 qt water + 6 oz fruit flavoring.

\*\*\* Stevia No Sugar bases are higher yield: 1 bag Stevia base + 10 qt water + 7 oz flavoring.

\*\*\*\* Premium Tart base will work great with any fruit flavor: 1 bag Premium Tart base + 8 qt water + 6 oz flavoring.

\*\*\*\*\* Remember to adjust your machine viscosity/temperature settings when switching between dairy mix, non-dairy mix or Stevia mix.

\*\*\*\*\* For bolder flavor, use an extra ounce of flavoring. Max limit of flavoring per batch is 7 ounces. Do not add more than 7 oz flavoring per bag of dry base.
